TERMS AND CONDITIONS
Rev. 9/11/2021

1. Offer/Acceptance. If this purchase order (“PO”) refers to Vendor’s bid or proposal, this PO is an ACCEPTANCE of Vendor’s OFFER TO SELL in accordance with the terms and conditions of the “solicitation” identified in Vendor’s bid or proposal. The solicitation includes an RDQ, RFP, IFB, or any other form of order by Buyer. If a bid or proposal is not referenced, this PO is an OFFER TO BUY, subject to Vendor’s acceptance, demonstrated by Vendor’s performance or written acceptance of this PO. Any COUNTER-OFFER TO SELL automatically CANCELS this PO, unless a change order is issued by Buyer accepting a counter-offer. This PO shall supersede and control over any Vendor form(s) or part(s) thereof included in or attached to any bid, proposal, offer, acknowledgment, or otherwise, in the event of inconsistencies or contradictions, regardless of any statement to the contrary in such form(s) or parts thereof.

2. Safety Information. All chemicals, equipment and materials proposed and/or used in the performance of this PO shall conform to the requirements of the Occupational Safety and Health Act of 1970. Vendor shall furnish all Material Safety Data Sheets (MSDS) for any regulated chemicals, equipment or hazardous materials at the time of delivery.

3. Changes. Vendor shall furnish products and/or services strictly in accordance with the specifications and price set forth for each item. This PO shall not be modified, superseded or otherwise altered, except in writing signed by purchasing agent and accepted by Vendor. Each shipment received or service performed shall comply with the terms of this PO, notwithstanding invoice terms or acts of Vendor to the contrary, unless this PO has been modified, superseded or otherwise altered in accordance with this section.

4. Delivery. Unless otherwise specified in the solicitation or this PO, delivery shall be FOB destination. Buyer is relying on the promised delivery date, installation, and/or service performance set forth in Vendor’s bid or proposal as material and basic to Buyer’s acceptance. If Vendor fails to deliver or perform as and when promised, Buyer, in its sole discretion, may cancel its order, or any part thereof, without prejudice to its other rights, return all or part of any shipment so made, and charge Vendor with any loss or expense sustained as a result of such failure to deliver or perform as promised. Time is of the essence.

5. Intellectual Property. Any software, research, reports, studies, data, photographs, negatives or other documents, drawings or materials (collectively “materials”) delivered by Vendor in performance of its obligations under this PO shall be the exclusive property of Buyer. Buyer shall have the right to inspect services provided under this PO at all reasonable times and places. "Services" as used in this section includes services performed or tangible material produced or delivered in the performance of services. If any of the services do not conform to PO requirements, Buyer may require Vendor to perform the services again in conformity with PO requirements, without additional payment. When defects in the quality or quantity of service cannot be corrected by re-performance, Buyer may (a) require Vendor to take necessary action to ensure that future performance conforms to PO requirements and (b) equitably reduce the payment due Vendor to reflect the reduced value of the services performed. These remedies do not limit the remedies otherwise available in this PO, at law, or in equity.
