Held via WebEx

Attendees: Justice Samour (Chair), Judge Freyre (Vice Chair), Chief Judge Blanco, Judge Randall, Judge Tuttle.

Staff: Jeremy Beck (Reporter).

I. Approval of Minutes

The Committee approved the minutes for the December 3, 2021, meeting.

II. Instructions Affected by 2021 Caselaw

The Committee reviewed the Reporter's suggested additions in relation to recent caselaw. The Committee approved most of these additions, but in regard to *People v. Roberts-Bicking*, 2021 COA 12, 490 P.3d 1128, the Committee requested further analysis as to how the case should influence its instructions on self-defense in multiple-assailant scenarios. The Committee resolved to take up the issue again at a subsequent meeting

III. Instructions Affected by 2021 Legislation (cont.)

The Committee continued its review of instructions affected by 2021 legislation. Specifically, the Committee approved of revisions that the Reporter had made regarding (1) a new affirmative defense instruction for peace officers using ketamine, and (2) valuation interrogatories in which the amended statute (via the omnibus bill) now simply uses the term "the amount."

The Chair adjourned the meeting at 4:46 p.m.
