Department of Public Safety

Board Staff

Tia Mills
Division of Probation Services
Colorado Judicial Branch

Administration

March Minutes were approved. An update by DCJ was provided on its intent to use the IRT program funds in the Funding Matrix as a "test." Clarification was provided that the in-patient treatment portion of the matrix would be sent to all community corrections facilities with IRT beds funded through the CTCF. A soft target date of July/August was given for feedback. The conference dates were reviewed as was the date for the planning retreat. Board feedback on the planning retreat was received. Eric provided an update on his planned replacement for the board.

A discussion about a planned JBBS client success panel was had. It was determined that even though the clients are still on probation, they have been successful in the community for over a year and the session will be moderated with targeted questions. The board approved the session to be held at the Collaborative Justice Conference.

Financial Update

Peggy Heil provided an update on the Information Exchange feasibility grant for which the board is providing match funds. Progress is being made and continuation funding for implementation grants are due in June. Peggy would like to apply for continuation funding and is not sure whether match funds will be required. She hopes to know more by the June retreat date so the Board can include any grant match funding in its financial decision making.

Judy Dettmer from OBH presented information on her work regarding Traumatic Brain Injury (TBI) assessment and care. She is looking for program support funds primarily to help train criminal justice case managers on TBI screening instruments as well as funds to develop a stronger network of neuro-psychological assessments that need to be done based on positive initial TBI screens. The Board will discuss this project as part of its financial plan at its June retreat.

Other business

The Board reviewed and approved the draft New Member Handbook.

The meeting adjourned at 3:50

Next Meeting: June 21st, Location TBD

Meeting Topics:

Annual Planning, Review of Goals, Setting New Action Goals, Determining Use for Overhead funds.
