

SUPREME COURT OF THE STATE OF COLORADO

Office of the Chief Justice

**Suspension of Colorado Judicial System Personnel Rule 13
Affecting Anniversary Pay Step Advancements and Salary Increases in Fiscal Year 2003-04**

During the 2003 legislative session, the Colorado General Assembly enacted, and the Governor signed, Senate Bill 03-273 as a budget deficit reduction measure. The bill eliminates funding for annual salary increases for State of Colorado employees during the 2003-04 fiscal year, commencing July 1, 2003. Due to this lack of funding, anniversary pay step advancements and corresponding salary increases will not be granted to Colorado Judicial Department employees in FY 2003-04. CJSP Rule 13.B is hereby suspended effective July 1, 2003 through June 30, 2004.

Signed and dated this 23rd day of June, 2003.
