UPDATE TO THE COURT	

Comes now Ronanld Morosko and provides the following update to the Court:

1. After the Motions Hearing on March 7th, 2022, the Court asked defense counsel to update the Court with the time frame that it would take defense experts to review the Scene2Go evidence and provide supplemental opinions.
2. Because of the size of the file, it was mailed to defense experts, and they do not yet have a grounded estimate for how long it will take them to review and write any supplemental opinions relating to the evidence.
3. Experts' discussions with counsel have provided hope that a supplemental opinion will be generated late next week, but without guarantee.

Wherefore Ronald Morosko provides the above update to this Court.

Respectfully submitted this 22nd day of March, 2022,

/s/ Kent Pace
