COMES NOW the People, by and through Matthew Margeson, District Attorney in and for the Twenty-Second Judicial District of the State of Colorado in the County of Dolores, Colorado, and hereby respectfully provides notice to this Honorable Court regarding the trial dates proposed by the Court:

1. Pursuant to the Court’s order at the pretrial readiness hearing on April 19, 2022, the People have undertaken contact with all witnesses the People intend to call for trial to establish if either proposed trial date of August 15 through August 19 or August 29 through September 2 work for the various witnesses.
