<b>NOTICE REGARDING PROPOSED TRIAL DATES</b>	

COMES NOW, Mr. Morosko, through counsel, and provides the Court with the following notice regarding the proposed August trial dates in this matter.

1. Undersigned counsel check with his witnesses in this matter, and similar to the prosecution, neither proposed trial settings in August work for all of the defense witnesses and the Defendant requests alternate dates in September that the Court might have available.

For the proposed August 15<sup>th</sup> trial setting, one of defense's experts has a pre-planned and scheduled consulting/business trip to Puerto Rico that entire week, where he advises their local police forces on a consent decree. 3. For the proposed August 29<sup>th</sup> trial setting, undersigned counsel's wife is scheduled to be on the East Coast for a family matter and counsel has no alternative means of getting his daughter to/from kindergarten in Durango each day in her absence, to be able to make it to and from Dove Creek, CO in time for trial each day. In addition, another defense witness has indicated pre-booked vacation plans for the second half of that week leading into the Labor Day Holiday.
