

**SEVENTEENTH JUDICIAL DISTRICT
ADAMS COUNTY AND THE CITY AND COUNTY OF BROOMFIELD
ORDER OF THE CHIEF JUDGE** 12-05

Procedure for Setting Jury Trials in County Court Cases.

The court has been advised many attorneys are attempting to set jury trials in County Court cases while the case is still in Division R. The court is mindful control of dockets in the various divisions of the County Court is the responsibility of the judge presiding in each division.

From the date of this order, when the attorney or the defendant in a County Court case wishes to set the case for trial to a jury, that setting will not be accomplished in Division R. The case will be set over from Division R to the appropriate County Court for pretrial and trial setting in the division where the jury trial will be heard.

Done at Brighton, Colorado, the 27th day of June, 2012.
