<p align="center"><b>ADMINISTRATIVE ORDER CONCERNING          JACKSON COUNTY WARRANTS AND ORDERS          FOR PRODUCTION OF RECORDS</b></p>	
<p align="center"><b>AMENDED ADMINISTRATIVE ORDER 2019-12</b></p>	

The 8<sup>th</sup> Judicial District has established certain procedures for judicial officers to review affidavits requesting the issuance of search warrants, arrest warrants, orders for production of records and the like and to issue related warrants and orders as deemed appropriate. Among the judicial officers assigned such responsibilities are the Larimer County Court judges. Pursuant to C.J.D. 95-01 qualified county court judges may be assigned to any court of the district when necessary. The county court judge in Jackson County is a .2 FTE position so the county court judge is often not on duty when filings are received in Jackson County. The Larimer County Court judges are qualified to review and rule upon county court filings in Jackson County as well as requests for search warrants, arrest warrants and orders for production of records. The undersigned has determined that it is necessary to authorize the Larimer County Court judges to handle such Jackson County requests and filings. Therefore, it is hereby ordered pursuant to CJD 95-01 and C.R.S. 13-6-218 that any Larimer County Court judge is authorized to review and act upon any Jackson County affidavits for arrest warrants, search warrants, orders for production of records or the like as well as any county court filings in Jackson County.

Dated this 10th day of June, 2019.
