ADMINISTRATIVE ORDER NO. 10-06

Case No. 10 CV 01

Division: 1

**ORDER REGARDING JUVENILES DETAINED ON WARRANTS ISSUED
OUTSIDE THE 19TH JUDICIAL DISTRICT**

Upon good cause appearing, IT IS ORDERED that the following procedures are adopted with respect to the detention and release of juveniles in the 19th Judicial District being held on warrants issued from any other jurisdiction besides the 19th Judicial District:

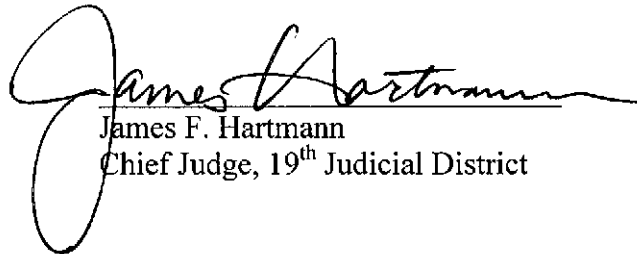

1. Based upon the requirement of C.R.S. 19-2-508 that a juvenile placed in a detention facility, temporary holding facility or shelter facility designated by the court shall have a detention hearing within forty eight (48) hours, excluding Saturdays, Sundays and legal holidays, a juvenile apprehended on a warrant issued by an entity other than those within the 19th Judicial District shall be brought before the court within the statutory time frames as set out in C.R.S. 19-2-508 (3)(a)(II) to determine under what, if any, conditions the juvenile should be detained further or released.
2. Screening staff will immediately notify the jurisdiction that issued the warrant, including the screening team and transport officials, of the juvenile's availability for transport to the appropriate jurisdiction(s).
3. All juveniles screened by screening staff who are being held on warrants issued outside the 19th Judicial District will appear at the next regularly scheduled date for detention hearings unless removed by the issuing jurisdiction prior to said date.
4. At the detention hearing, the juvenile will be provided an advisement as appropriate. A review hearing will be scheduled within the next 3 court days after the detention hearing.
5. Screening staff will notify the issuing jurisdiction after any hearing of the status of the juvenile. If the juvenile is picked up prior to any hearings, the hearings will be vacated.
6. If the juvenile is not transported by the issuing jurisdiction prior to the review hearing, the judicial officer will review the bond set by the issuing court and make

whatever determinations may be appropriate given the needs of the community, and the best interests of the juvenile. If appropriate, the judicial officer may issue a promise to appear before the issuing jurisdiction within an appropriate time after release but no more than 48 hours. Any others orders deemed necessary to protect the safety of the community or the best interests of the juvenile may be made by the judicial officer as well.

This order is to be applied in conjunction with any other administrative orders with respect to the screening and emergency release of juveniles as are presently issued or may be issued from time to time in this district.
