Mark,

We received LR24 on March 4. LR 24 related to firearms testing.

Derek Graham testified that he reviewed Edward Rowe's DNA testing was complete and excluded him. I think this is LR28. We have not received this. Can you please provide that discovery today?

Thank you,

Iris

Iris:

Generally, CBI litigation packets are sent via FedEx to our Salida Office. We do not have that at this time. When we get it, we will make it a priority to discover.

Mark,

CBI lab let us know they produced LR 24, along with the litigation packet and Comm log to the DA's office yesterday.

We would appreciate production of that pertinent discovery today.

Thank you,

Iris
