Pattern Interrogatories	

The following Pattern Interrogatories are propounded to:

[Name] _____

pursuant to C.R.C.P. 16(b)(11), 26, and 33(e).

Section 1. General Instructions

- (a) These pattern interrogatories and instructions do not change existing Rules or other law relating to interrogatories. For time limitations, requirements for service on other parties, and other details, *see* C.R.C.P. 16(b)(11), 26, 33, 121 § 1-12, and the cases construing those Rules.
- (b) These pattern interrogatories and instructions do not affect an answering party's right to assert any privilege or objection. Parties may object to these pattern interrogatories on grounds including, but not limited to, that the interrogatories exceed the scope of permissible discovery as defined in C.R.C.P. 26(b)(1) because the inquiry is not relevant to the claims and defenses of any party or is not proportional to the needs of the case.

Section 2. Instructions to the Asking Party

- (a) These interrogatories are intended for optional use in district courts only. They are approved sample discovery requests but are not intended to be used in every case.
- (b) Parties should carefully consider the claims and defenses at issue to determine whether these pattern interrogatories are applicable to their particular action. Parties also should carefully consider whether these pattern interrogatories are proportional to the discovery needs of their particular case.
- (c) Parties are strongly encouraged to consider whether the information sought through these pattern interrogatories would be better obtained through requests for the production of documents containing the information sought. As one example, the objective of an interrogatory asking for information relating to a party's medical treatment might more efficiently be achieved by asking for the party's medical records in a request for production.
- (d) C.R.C.P. 26(a)(1)(C) requires production of specific information relating to the categories and amounts of a party's claimed damages. As a result, interrogatories requesting information relating to claimed damages may not be necessary, or may be tailored to particular topics relating to a party's claimed damages.
- (e) Check the box next to each interrogatory that you want the answering party to answer. Each checked box counts as one interrogatory for purposes of C.R.C.P. 26(b)(2)(B) and case management orders.
- (f) The interrogatories in section 16.0, Defendant's Contentions—Personal Injury, should not be used until the defendant has had a reasonable opportunity to conduct an investigation or discovery of plaintiff's injuries and damages.
- (g) Subject to the limitations in C.R.C.P. 16(b)(11) and 33, additional, non-pattern interrogatories may be included.

Section 3. Instructions to the Answering Party

- (a) An answer or other appropriate response must be given to each interrogatory checked by the asking party.
- (b) As a general rule, within 35 days after you are served with these interrogatories, you must serve your responses on the asking party and serve copies of your responses on all other parties to the action who have appeared. *See C.R.C.P. 33* for details.
- (c) Each answer must be as complete and straightforward as the information reasonably available to you permits. If an interrogatory cannot be answered completely, answer it to the extent possible.
- (d) If you do not have enough personal knowledge to fully answer an interrogatory, say so, but make a reasonable and good faith effort to get the information by asking other persons or organizations, unless the information is equally available to the asking party.
- (e) Whenever an interrogatory may be answered by referring to a document, the document may be attached as an exhibit to the response and referred to in the response. If the document has more than one page, refer to the page and section where the answer to the interrogatory can be found. In addition, C.R.C.P. 33(d) permits an answering party to identify and make available business records in lieu of responding to a particular interrogatory.
- (f) Whenever an address and telephone number for the same person are requested in more than one interrogatory, you are required to furnish them in answering only the first interrogatory asking for that information.
- (g) Your answers to these interrogatories must be verified, dated, and signed. You may use the following form at the end of your answers: "I declare under penalty of perjury under the laws of the State of Colorado that the foregoing answers are true and correct to the best of my knowledge, information and belief."

(Date) _____ (Signature) _____

Section 4. Definitions

Words in **BOLDFACE CAPITALS** in these interrogatories are defined as follows:

Section 5. Interrogatories

The following interrogatories have been approved by the Colorado Supreme Court under C.R.C.P. 16(b)(11), 26, and 33(e). The pattern interrogatories have been modified to more appropriately conform to the 2015 amendments to C.R.C.P. 16, 26, and 33. A change to or deletion of a pre-2017 pattern interrogatory should not be construed as making that former interrogatory improper, but instead, only that the particular interrogatory is, as of the effective date of the 2017 rule change, modified as stated or is no longer a “pattern interrogatory.”
