ADMINISTRATIVE ORDER 2019-02 Regarding Review of Search Warrants, Requests for
Production of Records, and Arrest Warrants by District Attorney Prior to Submission to Court

In an effort to streamline the process of judicial review and approval of search warrants, requests for production of records and arrest warrants by judicial officers of the 7th Judicial District, it is hereby ordered that all such warrants and affidavits in support of warrants and requests be reviewed and approved by an attorney in the District Attorney's office prior to presentation to the court or judicial officer, except in extraordinary and emergency circumstances, for issuance. District Attorney review shall be indicated in the files, information or documents presented to the court or judicial officer, or by verbal affirmation of the law enforcement officer.

Done by the Court this 29th day of April, 2019.
