

Telluride Parking Information

The town of Telluride now prohibits parking in town without a parking permit. Jurors may park in town while serving as a juror.

In order to park in Telluride during the trial, please place the juror summons face up (showing your name) on the dashboard of your vehicle. If selected to serve for the trial, the court will provide you with additional parking permits.

If you do NOT display your summons, you are subject to being ticketed or towed. If you have lost your summons prior to the trial date, please contact the Jury Commissioner at (970) 369-3300 option 4 for further instructions.

There is additional parking (no permit required) at "Carhenge". This is a public parking lot located on W. Pacific Avenue at chairlift 7. When coming into Telluride, take a right on Mahoney and then a left on Pacific. A shuttle runs from this parking area to town every 7 minutes.

If you have any questions or concerns, please contact the jury commissioner PRIOR to your appearance date.
