

I am an approved mediator by the Colorado Office of Dispute Resolution (ODR). I mediate cases throughout Colorado with a particular focus on the 7th, 11th and 12th judicial districts. I handle both domestic and civic cases.

I have completed a number of courses and trainings in mediation and conflict resolution over the past several years and continue honing my skills through ongoing study and practices centered on conflict resolution. I am also a trained restorative justice facilitator and was the previous director of Full Circle Restorative Justice in Salida, Colorado.

In addition to my mediation practice I offer individual life and business coaching as well as group facilitation.

My previous career was in banking and finance and I hold a master's degree in Agricultural Economics from Colorado State University.
