I have been a lawyer for over 35 years, with a substantial caseload in family law. I also deal with Elder Law, Probate, Construction and Land Use issues.

I spent 25 years as the attorney for the Montrose County Child Support Enforcement Unit, and 20 years as the substitute attorney for Montrose County Child Protection Unit and the Montrose County Department of Health and Human Services. I have represented the Department of Health and Human Services in adult protection cases, along with child protection matters, and in Administrative Court Appeals concerning eligibility for Medicaid related programs.

I spent twenty years as the substitute Municipal Court Judge for the City of Montrose and two years as substitute judge for the Town of Olathe. I have also served as the Municipal Court Judge for the towns of Ridgway and Ouray.

I have been a mediator for over 15 years.
