

INSTRUCTIONS FOR AN AGISTOR'S LIEN

These standard instructions are for informational purposes only and do not constitute legal advice about your case. If you choose to represent yourself, you are bound by the same rules and procedures as an attorney.

GENERAL INFORMATION

- An Agistor's lien is a lien filed by a person engaged in the business of feeding, herding, pasturing, keeping, ranching or boarding or for medical care of livestock.
- An Agistor's lien is effective for the entire period during which the livestock is held by the Agistor. If the livestock is sold, exchanged, or otherwise disposed of by someone other than the Agistor or Agistor's agent, the lien continues and attaches to the proceeds of the sale, exchange or disposition.
- The lien amount is limited to the value of \$25,000 in County Court.
- If the amount exceeds \$25,000 you must file in District Court.
- Before documents can be filed in the Court, the Agistor's Lien must be filed with the Secretary of State at www.sos.state.co.us OR the County Clerk and Recorder in the county where the livestock are located.
- The Lien must be filed for at least 30 days before foreclosure. After 30 days, a foreclosure action may be filed in the County OR District Court, depending on the amount of the lien.
- For additional information, please review Colorado Revised Statutes §§38-20-201-210.
